To Whom It May Concern:

I am writing on behalf of American Balloon Decor, a company I have had the pleasure of working with for the past several years. Stuart and Patti have provided world class balloon décor and entertainment for the NBA's Orlando Magic through themed corporate events, at Orlando Magic games, and other events throughout Central Florida.

Stuart and Patti have been a tremendous asset to the Game Presentation department and in particular the Game Night team. They have consistently provided an extremely high level of customer service to our fans and provide all patrons with a legendary experience at each and every Orlando Magic home game. Whether creating custom balloon pieces or one of a kind face painting, Stuart and Patti have become fan favorites and are an absolute hit with our guests. American Balloon Décor has also been asked to create one-off custom balloon sculptures for a number of our themed games, and the results are absolutely breathtaking.

American Balloon Decor has a true passion for entertaining. Their dedication, commitment, and reliability are on display at each and every event. Not only do Stuart and Patti have incredible imagination and skill, but also have flawlessly represented the Orlando Magic at all events they have participated in. They have earned our trust and respect, and they will always be our go to vendor for balloon art décor and entertainment.

I am happy to answer any questions you may have regarding American Balloon Decor. I can be reached at (407) 916-2786 or at [tedwards@orlandomagic.com](mailto:tedwards@orlandomagic.com). Thank you in advance for your consideration.
